

Paved Paths of the Grand Valley

The "Paved Paths of the Grand Valley" map displays non-motorized, multi-use trails primarily of concrete or asphalt material separated from roads; however, some gravel and roadway paths are included as connectors. Trails vary in condition and should be used with caution and etiquette. Mileage shown is approximate.

Colorado Riverfront Trail Fruita to Botanical Gardens - 7.3 Miles Total Connected Trail Distance - 21.3 Miles (Fruita to 33 1/2 Rd)
